

West Linn to Open Selected Spray Parks

Press release date: 2012-05-11

WEST LINN - The City of West Linn, due to early sunny & warm May weather, has scheduled to open and operate two spray parks this weekend. Traditionally the spray parks in West Linn are opened on Memorial Day weekend. Due to the recent weather and many inquiring phone calls the parks maintenance staff was asked to move up the annual start up service and operations schedule by a couple of weeks. Thanks to the efficient work of parks maintenance staff the spray parks at Tanner Creek Park and Willamette Park will be open from 9:00 a.m. - 8:00 p.m. starting on Saturday, May 12, 2012. These two pools will be in operation daily, weather permitting. Contact West Linn Parks & Recreation for further details.
